Chorus

*Baby, I'm driving home now,
Baby, I'm driving home,
Got my music up,
Got my foot right down,
Cos baby I'm driving home.
Baby, I'm driving home now,
Baby, I'm driving home,
Got my music up,
Got my foot right down,
Cos baby I'm driving home*

I know I've been away for too long now,
Far too long away from your sweet smiles,
So I'm heading back home to you babe,
And my driving's eating up those miles.

Chorus

Don't know why I've been so long without you,
Don't know why it had to be that way,
What I do know is how much I missed you,
Every minute, every hour, every day.

Chorus

Bridge
*My wipers' pushing back the raindrops,
My headlights' pushing back the night,
And I'm pushing back the distance home,
So we can be together tonight.*
